## **Admissions, Enrollment, and Lottery**

### *Admission*

As required by G.S. 115C-218.45, any child who is qualified for admission to a NC public school is qualified for admission to UDS. Admission will not be determined by school attendance zone/area in which the student resides.

The School will not discriminate against any student on the basis of ethnicity, national origin, gender, disability, religion, creed, intellectual or athletic ability.

Admissions Priority By state law, UDS may give enrollment priority to the following:

- Siblings of currently enrolled students who were admitted to the School in a previous year. The term “siblings” includes any of the following who reside in the same household : step-sibling, half-sibling, and children residing in a family foster home.
- Siblings of students that have completed the highest grade level at UDS
- Limited to no more than 15% of the School’s total enrollment the following may be given priority:
  - Children of full time employees Children of board of directors A student who enrolled in the School within the two previous years but left the School (i) to participate in an academic study abroad program or a competitive admission residential program or (ii) because of the vocational opportunities of the student’s parent.

### *Equal Education Opportunities*

Union Day School provides equal education opportunities for all students and does not discriminate on the basis of race, gender, disability, nationality, or religious affiliation. The school adheres to the legal obligations and requirements under section 504 of the Rehabilitation Act and the Individuals with Disabilities Act Amendments, including identification, evaluation, and provision of an appropriate education.

### *Open Enrollment and Lottery*

The School will hold open enrollment beginning in January of each year. The enrollment will continue for a minimum of 30 days. At the end of the enrollment period, if the

number of applicants does not exceed the available space, for that grade, the students who have properly applied will be accepted. If the number of applicants exceeds available space, for a particular grade, a lottery will be held to determine enrollment.

Lottery placement will be conducted no later than two weeks after the end of the enrollment period." Students' names are randomly pulled from all eligible applicants for each grade. In the interest of fairness, a third-party individual selected to pull lottery names. Siblings of current students will have first preference. Students who are pulled after the grade has been filled will go on a wait list. Wait lists will be deleted at the end of each academic year and parents will need to reapply for the new academic year.

UDS will attempt to contact all families with the results of the lottery within 3 business days after the selection. If contact is not made, after several attempts, UDS will move on to the next student on the waitlist. Once UDS has made contact with the family, the family has 3 business days to make a decision about enrollment. If the family declines enrollment or does not reply within this timeframe, UDS will move to the next student on the waitlist.

Per NC GS 115C-378, The Head of Lower School or his/her designee shall notify the parent, guardian, or custodian of his child's excessive absences after the child has accumulated three unexcused absences in a school year.

After not more than six unexcused absences, the Head of Lower School shall notify the parent, guardian, or custodian by mail that he may be in violation of the Compulsory Attendance Law and may be prosecuted if the absences cannot be justified under the established attendance policies of the State and local boards of education. Once the parents are notified, the school attendance counselor shall work with the child and his family to analyze the causes of the absences and determine steps, including adjustment of the school program or obtaining supplemental services, to eliminate the problem. The attendance counselor may request that a law-enforcement officer accompany him if he believes that a home visit is necessary.

After 10 accumulated unexcused absences in a school year, the Head of Lower School shall review any report or investigation prepared under G.S. 115C-381 and shall confer with the student and the student's parent, guardian, or custodian, if possible, to

Upon receiving notification by the Head of Lower School, the director of social services shall determine whether to undertake an investigation under G.S. 7B-302.

## **Bullying**

### **Bullying is defined by NC GS 115C-407.15**

## **Fire and Tornado Drills**

Unannounced fire drills will be conducted once a month. A minimum of two (2) tornado drills should be conducted yearly.

## **Grades**

The academic year is divided into four 9-week grading periods. Progress reports are sent home with students halfway through each nine-week period. Report cards are to be sent home at the end of each nine weeks. The Head of Lower School will establish a grade cutoff period for each grading period.

Union Day School utilizes a standards based report card. Students receive numbers instead of letter grades for specific skills. If a subject does not allow for a percentage score, the student will be graded on the teacher's assessment of the student's knowledge, their participation, and overall conduct.

The grading scale for the School is as follows:

4+= 96-100

4 = 95-90

3 = 80-89

2 = 70-79

1 = 69-60

0 = 59 and below

Incomplete grades must be made up within three (3) days after returning to school or the grade will be changed to an F. Teachers may use their professional discretion, with the three day rule, when multiple assignments have been missed. Where applicable, conduct is graded as follows:

O= Outstanding, S = Satisfactory, N = Needs Improvement

## **Grievances**

During the academic year problems and misunderstandings between students, parents, and teachers may arise. The best way to resolve these problems is to keep an open, yet orderly channel of communication between all parties. The following is a strategy that

will allow an open channel of communication between parents and the staff of Union Day School. The following steps are critical in maintaining a sense of discipline.

Step 1: Begin with contacting your child's teacher through an email or phone call to address any issue. After the initial contact if the issue is not resolved then go to step two.

Step 2: Make an appointment with your child's teacher or team to discuss issues and concerns. Remember that teachers will not be able to have conferences and lengthy conversations in the classroom or in the hallway during class time. If you are not satisfied with the results from a teacher conference go to Step 2.

Step 3: Contact the Head of Lower School and request a conference between yourself, the teacher, and the Head of Lower School. The Head of Lower School will contact you with the conference time and location. Please allow 3-5 business days for a written response from the Head of Lower School unless it is an issue that threatens immediate safety, physical, mental, or emotional health or constitutes a criminal act. If you are not satisfied with the results of this conference go to step 3.

Step 4: Fill out the conflict resolution form to request a meeting with the Board. Please include your concerns and the results from the previous meetings. Please allow 3-5 business days for a written response from the school, notifying you of a hearing with the Board, unless it is an issue that threatens immediate safety, physical, mental, or emotional health or constitutes a criminal act. In this event, the appropriate authorities should be contacted along with the Board chair or vice chair. Once the Board has heard the complaint and investigated, a decision will be reached within 10 business days and all parties involved notified. In the event the authorities have not been notified and the Board of Directors determines there is an immediate threat to safety, physical, mental, or emotional health or constitutes a criminal act, the authorities will be immediately notified. The board will work with authorities to ensure future safety. The decision of the Board is final.

In the event the grievant does not follow this process, the Board will direct them to through the necessary steps of the grievance policy. The Board will not hear any grievant where legal action is directly threatened and/or the grievant has legal representation.

### **Inclement Weather Delay or Closing**

The School will delay opening or close for inclement weather or the threat of inclement weather. This decision will be at the discretion of the Executive Director. The Head of School may also delay opening or close for any other potential or immediate threat to

students and staff. In the event that the School needs to close or delay opening, the School shall contact families via school email, text messages, phone calls, local news media, and school website.

### **Make-Up Work**

Please send lunch with your child each day or, if you choose not to pack your child's lunch, you may order food for your child via the school-approved vendor.

To review the Read to Achieve this law, please visit: <https://www.dpi.nc.gov/documents/k-3literacy/resources/read-to-achieve-guidebook>

Additionally, a student may be retained if the student falls below a 70% yearly average in core subjects or exceeds the maximum number of allowable absences (ten unexcused absences). Parents will be notified of possible retention by the end of March. The final decision for promotion will be made by the end of May.

Teachers will communicate their discipline and positive behavior plan with families during Back to School Night. Support from the behavior interventionist will be determined on an as needed basis.

The purpose of the discipline and positive behavior policy is to ensure a safe, positive, learning environment in the school while taking into consideration the behavioral development of the students. For this reason, the aim of disciplinary measures, positive behavior, and support interventions is to correct the students and help them learn from their mistakes, except in cases where the behavior is so severe that it puts the safety or integrity of the school in jeopardy.

- In most cases, the appropriate faculty members within the classroom setting will handle situations requiring discipline immediately and effectively. In some circumstances, either due to the severity or repetitive nature of the offense, intervention by the Head of Lower School or Executive Director is warranted.
- In any action requiring suspension, the Head of Lower School will notify the parent or guardian immediately. Appeals for a suspension lasting less than ten days goes to the Head of Lower School. Appeals lasting more than 10 days should go to the Executive Director and then to the BoD if not resolved with the Executive Director (*Parents are not allowed to appeal to the BoD any suspension lasting less than 10 days*)
- Appeals with regards to an expulsion should be formally directed in writing to the Union Day School Board of Directors or its designee within two (2) days of the student's dismissal. The suspension will remain in place until the Board meets and reviews the appeal.

This belief is rooted in the philosophy that every student is a responsible individual with an inherent desire to be an honorable person. This responsibility includes a student's duty to oneself and others to sustain a system of moral values, even in the face of adversity, demonstrating a sign of true leadership.
